

Demo Derby is all about you, the driver. We want to help you build rapport with the crowd, so they will cheer you on. Over time, they will look forward to seeing you compete, year after year.

We'll include a write-up about you in our Program Booklet that is given to all attendees as they enter the arena. This will be your story about competing in demolition derbys, and we'll even use your photo if you want. After the event, you'll always have this booklet with your story.

It's easy to be included!

- Pre-register to compete in the Demolition Derby **by September 18th.**
- **Answer the questions on the back** of this page and mail or email to us by September 18th.
- If you have a good **photo** of yourself, please send it to us by mail or email, hopefully in the same package with your answers. If you competed in our Demo Derby last year, we may already have your photo — just give us your car number.

That's all there is to it. Then you'll be in the spotlight as you compete this year!
